Projects

Bakery Bingo!

Strategically designed an accessible app that allowed the user to play Bingo while learning about different desserts from various countries.

The Client Project, Taproot Law

Taproot Law sought advice on making its website more accessible and usable for its clients. I worked with a group of four people. We conducted research and used methods such as ad card sorting to find a solution.

Big Brother Big Sister

I wireframed an app that allows prospective parents to easily sign their child(ren) up to be mentored.

Experience

Jackson National Life Insurance Company
Strategic Support Associate

- Facilitate beneficiary updates: Streamline the process for customers to update their beneficiaries, ensuring a seamless and user-friendly experience.
- Manage financial transactions: Process client monetary transfers with precision, prioritizing user satisfaction and operational efficiency.

Golf Caddy

Evanston Golf Course

- Enhance golfer experience: Provide attentive service by cleaning golf clubs after each use, ensuring optimal performance and satisfaction.
- Organize equipment efficiently: Maintain meticulous organization of golf clubs, enhancing ease of use and overall user experience.
- Engage with golfers: Foster a positive and enjoyable atmosphere through ongoing, friendly conversation with golfers.

Community Engagement

Big Brother Big Sister

I am a "Big" who ensures that my "little" grows and becomes a better person. I take my little on play dates, help with homework, provide advice, etc., and make my little feel comfortable and safe. I am a mentor.

Lansing Community Outreach

Every Saturday, I prepare tables of food for people in need. I neatly organize the tables to ensure a smooth process as the lines get long.
